

# B.C. Broncos Radiator Guard

**CAUTION: radiator fins and tubes are easily damaged.  
Take great care in attaching the B.C. Broncos Radiator Guard your radiator.**

## PROCEDURE

1. Remove the two top screws and the two bottom screws securing the fan shroud to the radiator.
2. Move the fan shroud over the fan and secure it so you have access to the radiator.
3. Carefully place the Radiator Guard on the radiator with the long mounting leg to the driver lower corner of the radiator.
4. Start the bottom two screws through the Radiator Guard into the radiator.
5. Carefully position the fan shroud over the bottom two mounting screws
6. Reinstall the top two mounting screws through the fan shroud and the Radiator Guard.
7. Carefully tighten the fan shroud mounting hardware.
